

Cambodia Children Study Room Construction 2010

Dates: Flexible, 2010 – teams can discuss potential dates with LHM. There is a rainy season from May – October, and the dry season is November – April. The time in country is 11 days, excluding travel days.

Individual Budget: Approx. \$520 – This includes food, lodging, in-country transportation, translators, visas and travel/health insurance. This is an estimated cost and does not include international flights, and is based on a team of 10 people for 11 days.

Materials for Project: Choose between two styles of construction. \$9,000 will build two classrooms of stone construction with tin roof. Or \$4,500 will provide a frame structure with tin walls and roof. Either building style is substantial for the ministry to the children. This includes materials for all projects, required tools, and construction manager. The whole volunteer team should provide these costs.

Children Study Room Construction: This project will build two classrooms approximately 46 feet long by 26 feet wide, on the church property in Prich village, Beong Nimol commune, Chhouk district, Kompot Province. This school will serve 85 three to six year old children from the village. Two church leaders and Equipping to Share volunteers will be leading the project. The village is very poor. The cost for school and transportation is prohibitive for many families. Many parents are also concerned for the safety of the children going to and from school.

This project provides the opportunity for LHM – Cambodia, Cambodia Christian Media Center (CCMC) to work with local church members, local authorities and government school teachers. They will work together on the classrooms, as well as the curriculum using a Bible study program and Christian songs. This school will be the stepping stone into the government school. It will also open doors for the church and CCMC to minister to the 392 families of the village in the years to come.

You will learn about Cambodia through authentic cross-cultural experiences and having fellowship with local Lutherans, and will have the opportunity to share the love of Jesus.
