Tucuman Project

Partner with LHM-Argentina and the Lutheran Congregation “Josue” of Tucuman City to serve children and families for a mission immersion project made up of different activities. With material and programs produced by the LHM Argentina, you will have opportunity to share the Gospel with the people of Tucuman City. The outreach will consist of English conversation classes serving the whole family on practicing their English skills. The week will finish with a mission rally at the church. Throughout the week, you will work with local volunteers to canvas the local neighborhood as well as invite the families that participated in the activities.

Project Location

San Miguel de Tucuman is the capital city and heart of Tucuman Province. Popularly known as “El Jardin de la Republica” (The Garden of the Republic) because in the springtime there are flowers are abundantly in bloom everywhere! The city is situated northeast of Argentina. Argentines are a fusion of diverse national and ethnic groups, with descendants of Italian and Spanish immigrants predominant. In recent years, there has been a substantial influx of immigrants from neighboring countries, particularly Paraguay, Bolivia, and Peru. The indigenous population, estimated at 700,000, is concentrated in the provinces of the north, northwest, and south. Eighty percent of the population resides in cities or towns of more than 2,000, and over one-third lives in the greater Buenos Aires area.

LHM International Volunteer Trips provide the opportunity to learn through authentic cross-cultural experiences and have the opportunity to share the love of Jesus.
