Project

The LHM Ministry Center in Nicaragua – Cristo Para Todas Las Naciones (CPTLN) or Christ for All Nations, shares word of comfort and hope in Christ with people who have been battered by national disasters, endured difficult economic circumstances and that currently have a high unemployment problem. Providing a message of hope with people in these times allows the spread of the Gospel in Nicaragua.

A team is needed to put windows, doors and tiles in the Church in Granada City, where Pastor Guillermo offers worship services and shares the Gospel with people in the area. Volunteer teams will also be involved in other spiritual tasks like visiting some high schools with Project JOEL, a Latin American outreach program geared toward troubled teens, as well as touring some rural districts to see directly the work that LHM-Nicaragua is doing in the city which is about 25 miles from Managua, the capital city.

Project Location

Nicaragua is located in Central America with Honduras to the north and Costa Rica to the south. Coastlines run on the east to the Caribbean Sea and to the west to the Pacific Ocean. The climate is hot and humid, with the “summer” dry season running from mid-November to mid-May and the “winter” rainy season from mid-May to mid-November. The countryside ranges from hills and volcanoes to beaches and tropical jungles.

Though Nicaragua is now governed by democracy, its people have struggled against years of corrupt dictatorship, revolution, and civil war. The country is now considered the poorest in the hemisphere. The economy is reliant on agriculture focused mainly on coffee and corn. Poverty is a growing concern with about 45 % surviving on less than one dollar a day.

You will learn about Nicaragua through authentic cross-cultural experiences and will have the opportunity to share the love of Jesus. If you are interested in touching lives in Nicaragua please call Audrey Walker @ 314-317-4268 or email audrey.walker@lhm.org.
