

# AMBASSADORS

## *Make an Impact!*

- By becoming an Ambassador for Lutheran Hour Ministries, you can open a world of outreach opportunities to your congregation and help to ensure that people without hope know the love of Jesus.
- Ambassadors get others excited about LHM's work by sharing the ministry on LHM Sunday and by asking others to pray for LHM.
- Ambassadors excite their congregation to share Christ's love in their community and the world using LHM outreach programs.
- Ambassadors thank LHM supporters in their congregation and tell them how LHM reaches hundreds of thousands of people with God's Word every year.
- Ambassadors can host a Catalyst Event, speak or invite LHM staff to speak to people in their congregation and community about LHM's important mission of delivering the Gospel to people who need the Savior.
