LUTHERAN HOUR
MINISTRIES
People Of Christ With A Message Of Hope

You Are Here in God's Plan

Here seeks to introduce the basics of Christianity in a conversational style. The Law and Gospel are presented in relational, personal terms as well as directly through Scripture. The reader is challenged to wrestle with the question of the truth of Jesus Christ, not to read the book passively, for it is the most important question of life. Common objections to Christ and the Church are addressed. Faith stories of real people are offered alongside a brief glossary of terms and messages about church, reading the Bible, and a prayer for the new believer.

To ask questions and read more about Jesus, readers are directed to the LHM seeker site **MORE** at www.lhm.org/more. **MORE** contains a relational Gospel message, faith stories of real people, and insights from Scripture. Most importantly, **MORE** offers direct contact by e-mail to caring members of the LHM Response Center for faith conversations and connections to local churches.

Here can be used for outreach in several ways. The 64-page perfect-bound book fits in a **Project Connect** display and **PC Junior**, making it easy for people to take discreetly. A place for adding your congregation's contact information is included so readers can be connected directly back to your church. For individuals witnessing with the LHM **MORE** cards, the booklet makes a great follow-up for extending the conversation. Quantity discounts are available for using the booklet at fairs and events, or for including in care packages and **New Neighbor Outreach** welcome baskets.

Excerpt:

What's unique about the Christian faith? Jesus is here for you, as opposed to you being there for a god; it's that simple. It's not about your actions upward to a god, earning favor, or achieving enlightenment. It's about Jesus' action downward, giving his own life for yours so that you could receive a peace for today's ups and downs and, more importantly, life in heaven forever.
