

SOUTH KOREA

Since reopening in 2003, the Lutheran Hour Ministries center in South Korea, has been working to spread the Gospel and create a youthful vibrancy within the church. The Christian resources produced by our ministry in Korea are valuable evangelistic tools that incorporate Korean traditions. Its youth programs, including **Project JOEL**, retreats and music festivals, are making positive inroads with younger audiences.

Our ministry staff members in Korea carry out the mission of proclaiming, equipping, and engaging people through various outreach ministries. Theater events sponsored by our center, as well as seasonal television specials and Advent and Lenten devotions, provide opportunities for non-Christians to connect with Christians and local Lutheran congregations. In addition, the center ministers to the Korean people through its website, mobile app, blog, automated messaging and Korean-language videos and books. Our ministry in Korea, by collaborating with the Korea Lutheran Church, is also taking steps to spread the Gospel in North Korea and China.

PARTNERSHIP — AT YOUR LEVEL

ONE-TIME GIFT

Use your one-time donation, fundraising event, or door offering to support the efforts of an LHM ministry center in a country of your choosing.

SPONSOR

You will become engaged in global outreach ministry by interacting directly with an LHM international ministry center and committing your ongoing prayers and support.

VOLUNTEER

Form a volunteer team to participate in evangelism, building projects, VBS, children's events, medical clinics, and much more, in partnership with an LHM international ministry center.

Lutheran Hour Ministries invites you to help share the Gospel in more than 30 countries around the world by becoming personally involved in our International Ministries Partnerships program. Through this program, you will build a relationship with the local staff of the ministry center of your choice. You will determine your level of involvement with the ministry center you have chosen—whether a one-time gift, ongoing support, or, where it's available, hands-on volunteer service through an International Volunteer Trip. You'll participate actively in the center's work—communicating regularly with the staff and praying for the ministry daily.

At whatever level of support you commit to as a Lutheran Hour Ministries International Ministries partner, your involvement will be essential to the work of sharing the Gospel with those who do not yet know Jesus Christ.
