Lutheran Hour Ministries in India, undertakes the challenge of spreading the Good News to thousands of Indian people who have never had the opportunity to learn about Jesus. Through the use of Internet technology, the ministry center has expanded its radio-style outreach—from a weekly broadcast on traditional radio to broadcasting 24 hours a day online. The center also reaches out to Tamil-speaking Indian people through television broadcasts twice a week.

Recognizing the cultural influences of music, dance and drama, our ministry in India brings the Gospel to live audiences through devotional songs, short dramas and dialogues. Ministry-sponsored youth groups perform public music programs, stage plays, and dance. Local groups also conduct Gospel rallies for large audiences both in cities and remote villages.

Our ministry center staff reaches out to those interested in the Gospel through cassette ministry, printed literature and Bible Correspondence Courses in six different official languages: Tamil, Malayalam, Telugu, Hindi Marathi, Gujarati and English. As a result of these Christian ministry efforts, thousands of converts and non-baptized believers in Christ are identified for follow-up.
Lutheran Hour Ministries invites you to help share the Gospel in more than 30 countries around the world by becoming personally involved in our International Ministries Partnerships program. Through this program, you will build a relationship with the local staff of the ministry center of your choice. You will determine your level of involvement with the ministry center you have chosen—whether a one-time gift, ongoing support, or, where it’s available, hands-on volunteer service through an International Volunteer Trip. You’ll participate actively in the center’s work—communicating regularly with the staff and praying for the ministry daily.

At whatever level of support you commit to as a Lutheran Hour Ministries International Ministries partner, your involvement will be essential to the work of sharing the Gospel with those who do not yet know Jesus Christ.
