Performing Arts Ministry

In many countries where Lutheran Hour Ministries has established ministry centers, Christianity is a minority faith or an “outside” religion. In still other places it is often considered a relic of a bygone culture. Ministry centers respond to the challenge of spreading the Gospel in places where Christians are few and the community consists of a variety of religious and cultural influences. Lutheran Hour Ministries’ outreach is therefore often considered a revival of the faith in these countries.

Ministry centers host weekday rallies that combine performing arts with other culturally relevant presentations. For example, Baptist and Presbyterian congregations often invite Lutheran Hour Ministries centers to provide spiritual education through these kinds of performances. Lutheran Hour Ministries centers also provide spiritual education through the performing arts to schools, hospitals, and prisons.
