

# RUSSIA

The void left by the fall of the Soviet Union has created a new interest in spiritual things. Lutheran Hour Ministries ministry center in Russia was established in 1993 and is located in St. Petersburg to work more closely with partner churches there.

Our outreach in Russia takes on a wide variety of forms—radio and television programming; Internet website; print media; music, drama and puppet performances; and prison and youth ministry. People who respond are encouraged to enroll in the ministry center’s increasingly popular **Bible Correspondence Courses**. Individuals who have questions or desire to be connected to a faith community are referred directly to pastors or volunteers in their area for follow-up. To promote outreach to youth, our ministry center in Russia is now producing a youth oriented website which operates as a video-based **Bible Correspondence Course**.

Our ministry center in Russia also provides witness training to churches and lay people through seven modules of **Equipping the Saints** evangelism training workshops.

# PARTNERSHIP — AT YOUR LEVEL

## ONE-TIME GIFT

*Use your one-time donation, fundraising event, or door offering to support the efforts of an LHM ministry center in a country of your choosing.*

## SPONSOR

*You will become engaged in global outreach ministry by interacting directly with an LHM international ministry center and committing your ongoing prayers and support.*

## VOLUNTEER

*Form a volunteer team to participate in evangelism, building projects, VBS, children's events, medical clinics, and much more, in partnership with an LHM international ministry center.*

Lutheran Hour Ministries invites you to help share the Gospel in more than 30 countries around the world by becoming personally involved in our International Ministries Partnerships program. Through this program, you will build a relationship with the local staff of the ministry center of your choice. You will determine your level of involvement with the ministry center you have chosen—whether a one-time gift, ongoing support, or, where it's available, hands-on volunteer service through an International Volunteer Trip. You'll participate actively in the center's work—communicating regularly with the staff and praying for the ministry daily.

At whatever level of support you commit to as a Lutheran Hour Ministries International Ministries partner, your involvement will be essential to the work of sharing the Gospel with those who do not yet know Jesus Christ.
