Lutheran Hour Ministries in Uganda, has reached more than 250,000 individuals through media programming, leading to the establishment of more than 100 Lutheran churches country-wide in partnership with the local Lutheran Church. Our center uses print, broadcast, electronic and traditional media as its greatest strength to share the Gospel nationally. The ministry broadcasts a weekly radio program to address social issues from a Christian perspective and uses the medium of television for airing seasonal television specials for Easter and Christmas.

Our ministry in Uganda also distributes Bibles, topical booklets, and other Christian literature in its outreach efforts. Respondents often participate in Bible Correspondence Courses; a total of more than 130,000 have enrolled in these courses to date. The center has refocused outreach efforts to youth, launching a Biblical values-based peer education program for secondary school students.

The ministry center also organizes film showings, puppet shows and music/drama performances which often draw sizable audiences and share the Gospel with literate and illiterate people alike.
Lutheran Hour Ministries invites you to help share the Gospel in more than 30 countries around the world by becoming personally involved in our International Ministries Partnerships program. Through this program, you will build a relationship with the local staff of the ministry center of your choice. You will determine your level of involvement with the ministry center you have chosen—whether a one-time gift, ongoing support, or, where it’s available, hands-on volunteer service through an International Volunteer Trip. You’ll participate actively in the center’s work—communicating regularly with the staff and praying for the ministry daily.

At whatever level of support you commit to as a Lutheran Hour Ministries International Ministries partner, your involvement will be essential to the work of sharing the Gospel with those who do not yet know Jesus Christ.
