

PROJECT CONNECT

Good news that makes a difference!

Project Connect Start-up Kit

Congratulations! You now have in your possession your new **Project Connect Start-Up Kit**. Project Connect is a Lutheran Hour Ministries resource that connects people to good news that makes a difference in their everyday life.

As you'll notice there are three types of booklets in your Start-Up Kit:

- Faith-Based topics for children
- Issue-Based topics for those in need
- Faith-Based topics that equip Christians for witness

To help the people in your community easily locate the type of resource they are looking for, you can arrange the 230 booklets you received in your Start-Up Kit in three separate tiers on your display:

- TIER 1: Children's Booklets
- TIER 2: Issue-Based Booklets
- TIER 3: Equipping/Faith-Based Booklets

Our Project Connect Start-Up Kit contains 23 of our top titles. (You can see a list of the titles within each category below.) In this way, you can reach out to different parts of your community—helping parents teach their children about the Christian faith, helping adults who are struggling with life issues, and helping equip Christians to share the good news!

Code	Booklet Name	Category
6BE162	Do You Know Who Jesus Is?	children
