Good news that makes a difference!

Bring welcomed hope to your community through Project Connect—an indispensable, on-site, booklet ministry resource that uses display fixtures of pocket-sized, topical booklets to promote outreach. There are also some booklets for equipping your congregation’s members to share their faith. Each of the more than 50 booklet titles available is written from a Christian perspective and addresses a variety of topics, from forgiveness and the after-life to depression and anger management. Select titles are available in Spanish. Explore all three topical categories: faith-based topics for children, issue-based topics for those in need, and faith-based topics to equip Christian adults.

By using a Project Connect display stand or a smaller desktop PC Junior, churches, business owners, and mission-minded individuals can maximize booklet usage by placing them in a high-traffic location. While church narthexes, pastors’ offices, and fellowship halls are ideal and convenient locations, you might consider placing a stand where support groups or other social services are located. Project Connect booklets are designed so you can easily affix a label with church information, service times, etc.

Project Connect gets members involved! As a self-funded ministry (additional donation envelopes can be ordered at no cost), the purchase of new Project Connect booklets is supported by contributions from visitors and church members who appreciate and have benefitted from the content. Congregations or individuals can make a big difference in people’s lives by using a Project Connect display to offer booklets as an outreach tool!

Available as FREE downloadable PDFs, MP3s, and app!
