As an outreach resource, Project Connect topical booklets from Lutheran Hour Ministries explore a wide variety of subjects and give congregations a Christ-centered asset to give hope and comfort to those in need.

**Project Connect Booklets Can Be Used In So Many Ways—**

There are many people in your community who haven’t crossed the doorstep of a church in years. In fact, some may have never been to church. Still, that doesn’t mean they won’t be receptive to the Gospel. Many are just waiting for an invitation. On the back of these booklets you can easily affix a label that gives church information, service times, etc.

By using a Project Connect display stand or a smaller desktop PC Junior, churches, business owners, and mission-minded individuals can maximize booklet usage by placing them in a high-traffic location. While church narthexes, pastors’ offices, and fellowship halls are oft-used and convenient locations, you might consider placing a stand where the Alcoholics Anonymous or Narcotics Anonymous group meets in your town or city. Other suitable venues are funeral homes, doctors’ and dentists’ offices, and social service locations.

In addition to Project Connect booklet orders, 100,000-plus are downloaded as PDFs, and more than 10,000 are accessed as MP3 audio files from our website every year.

**Project Connect** is a proven ministry resource that encourages booklet readers to seek God’s help for the many issues that life brings.

**Project Connect Gets Members Involved:**

As a self-funded ministry (donation envelopes come with each booklet order from LHM), the purchase of new Project Connect booklets is supported by contributions from visitors and church members who appreciate and have benefitted from the texts.

Congregations or individuals can make a big difference in people’s lives by using a Project Connect display to offer booklets as an outreach tool. For information on getting started with this simple and effective ministry, call Lutheran Hour Ministries at 800-944-3450.
