

PROJECT CONNECT

Good news that makes a difference!

Bring hope to your community through **Project Connect**—a booklet ministry using topical booklets to promote outreach and faith sharing. Each of the more than 50 booklet titles is written from a Christian perspective and addresses a variety of topics, from forgiveness to depression; parenting to anger management. Select titles are also available in Spanish.

By using a Project Connect display or a smaller desktop **PC Junior**, churches, business owners, and mission-minded individuals can maximize booklet usage by placing racks in a high-traffic location. Project Connect printed booklets are designed so you can easily affix a label with church information, service times, etc. Our digital booklets can be read on any electronic device and can be shared through email or social media.

Congregations and individuals can make a big difference in people's lives by using Project Connect booklets!
